The Lady:

Met me in an incredibly short red minidress. Wonderful view as we went upstairs. Cory has an absolutely perfect figure - long slim legs and breasts in perfect proportion - perfect smooth skin. And a gorgeous smile when she relaxes.

The Story:

She was a little distant at first, but we began with some very nice owo. I returned the compliment and she was soon getting into things. She didn't actually come, but we'll save that for next time. Delicious taste, by the way. Finale was missionary then some very nice deep doggy.

We chatted for a long time. She's Romanian, but I emphasise not trafficked - she is independent and struggling to support her family back home [multiple brothers and sisters].

I'll definitely see Cory again because she is just so beautiful. She was clearly nervous about a new client [she's had some bad experiences] and the pork sword, but I'm sure she will be more relaxed next time.
