### The Premises:

Located above a shop on a busy road. So no nosy neighbours or twitching curtains. Three minutes from Kilburn tube station. Some parking available in nearby side road. Entrance and hallway fairly grubby but once inside, her flat was warm, well furnished and cosy.

### The Lady:

Attractive E European blonde, 25 years old, slim with good clear skin.

### The Story:

Christina offers a massage plus h/r and blow job. The massage was fairly average, using plenty of baby oil. But she was pleasant to chat to, and on turning over, she concentrated on giving me an extremely good experience, taking time and trouble to ensure that I was well cared for. No need for explicit details, but her approach was warm and nurturing, a welcome change from the cold and distant attitude of some others I have experienced. All in all, a decent person who is worth a visit.
