The Premises:

Small self contained apartment, fit for the purpose.

The Lady:

Delightful young lady with a great body and the right attitude.

The Story:

What I liked the most of this young lady was the attitude, she seemed a bit shy at first, but she soon warmed up and thing went good. She seemed quite eager to please and, indeed, she pleased me. We kissed and had reciprocal oral then had sex changing a number of positions without problems. I recommed her.
