### The Premises:

Nice house in quiet residential area - parking on private drive - was waiting at door for me.  
House/bedroom spotless and very luxurious -

### The Lady:

Long black hair - very slim and a fantastic bum. Has a couple of very artistic tattoos and some amazing piercings. Very pretty and had a lovely manner

### The Story:

Luna gave me a nice massage first which got the little man all excited - she gave me a fantastic BJ - uncovered then I went down on her and explored the piercings! - I'm sure she didn't fake her orgasm! We then had sex in several positions with a CIM finale. I'd paid for an hour but came in about 25 mins but there was no pressure to leave - she curled up next to me and we chatted for the rest of the time. Full on GFE - best in ages.
