### The Story:

I ended up having a disagreement with her, explaining that my time had been wasted waiting for 35 minutes for her and that I have been left confused with who I am supposed to be seeing. Due to her poor grasp of English, Antoinetta could not understand me and told me to leave. She only gave half of my money back - ?20 even though I was in the flat for 5 minutes without copping a feel. Never again!
