The Premises:

The place was actually at a Hotel that I was staying in.

The Lady:

Very attractive, Black Hair, Slim, very nice figure. Spoke with a non English accent, but perfect English

The Story:

Actually booked this lady from Vixens escort Agency for 1 hour at 8pm. She arrived, unannounced, at 6.50pm, claiming a mix up with another appointment. After checking with Receptionist, which took 5 minutes, stayed with me. No preamble, straight on to the Full Service, stating several times that she "Just does her job". Immediately after, she washed and actually left at 7.10pm So! She was actually WITH me for about 10 - 12 minutes when it should have been an hour.

The Agency apologised but there seemed little that they could, or would, do.

I felt VERY agrieved at paying for an hour, then she was only with me for a few minutes.
