The Premises:

Very pleasant, well kept apartment. Great area. Felt very safe and anonymous when entering the building. There is only one buzzer for the number given so you won't be dodging other residents on the way in.

The Lady:

Tall, young, slim. Lovely breasts and arse (if you like them smallish)

The Story:

Very relaxing. Katie put me at ease straight away. Had a GFE session but with Katie willing to take the lead when necessary. Chatted happily after the event and I didn't feel rushed at any time. Great experience and I'm pretty sure you won't get better for ?60 in London!
