The Premises:

Very nice flat, with easy parking in the adjacent well known DIY store. Clean, nicely furnished, and to be honest I wouldn't mind living there myself.

The Lady:

Unfortunately not the girl as advertised... she had the same hair cut and skin colour, but the similarities stopped there. Much plumper, not as pretty, and those breasts that looked so pert and suckable in the photos were just a disappointment.

She was a nice enough person, I don't mean to disrespect her and I suppose what did I expect for ?100, but I've never had this issue with this agency before... so...

The Story:

Standard EE episode... kissed a bit, sucked a bit and f**ed a bit. I guess it did a job, but I won't be back.
