The Lady:

As seen in photographs, which are probably 2-3 yrs old, but not so different that you wouldn't recognize her, or be disappointed. (something that I have honestly reported on in the past, perhaps ticking off a couple of girls, establishments, or semi-blind men) Young lass with long raven hair, pouty lips, "sparks flying from her fingertips". Well she did have long painted nails. Summed up, I describe her as beautifully cute 24-25 yo.

The Story:

Lea is attractive, curvy, friendly, and very eager to please. We did RO,OW,CG, doggy and mish. Little or no kissing, however there was plenty of naughty talk between us during the visit... mostly me trying to figure out what gave her an orgasm. Lea has really nice boobs. Didn't get to play with them as much as I'd wanted, because I couldn't get enough of her pussy. Had two nice bouts of RO on her, one to start and one right before I showered at the end of the hour. She seemed to be nicely sensitive and responsive down below, or else she is an incredible actress. Overall, would say that being with her was very sexy and fun. Wish I could have lasted longer, or had a second woody, as I think she was just getting warmed up about the time I had to go. She also gave a massage. Knows when to be naughty and when to be nice. A+ young lady. Really enjoyed the companionship, and hey, we all get older. Have fun while you can. You might remember me telling you how old I was. And I hope you have great sex at this age too.
