The Premises:

The Lady:

Lady recognisable from pictures which are clearly manipulated. I am 39 and found it hard to believe she is 9 years younger than me, more likely 35+.

Asked me to turn off the lights (lol, I do have crooked teeth) so cant really say much about her body

The Story:

Late in the night so probably saw many clients before me, stank of drink and was pretty drunk. After the paperwork asked me to undress, asked me to switch off the lights and lie back, put a condom on me, some lubricant, she on top for about 5 minutes. Asked me to go on top, fiddled around with my balls, I came, Game over. 15 minutes max.

Oh, me first timer. Gutted. Feel robbed.

I have since seen another lady from vixens. Took her time, rather enjoyable 1 hour.
