The Story:

Saw Holly as she was the advent girl of the day. Was offered a shower. Started with light kissing. Holly suggested that we move to the bed. Started giving me OWO, which soon moved to the 69 position. OWO was nice and tender. On with the condom, started with mish and then moved to doggie. Finished by coming over her ample breasts. Cleaned up and was sent off with a Christmas greeting. Holly was quite understanding, as i was really nervous. Never felt rushed, as we had run over a bit.
