The Premises:

Well known place near mall. Christmas Eve rush outside. Room clean, not too hot or too cold.

The Lady:

Sofia looks quite like her pictures. 25 yo. She is better in person, and has a wonderful, naughty smile. She's about 5'2". Soft Naturals. I felt quite good to be opening a present like this on Christmas Eve. She is Greek, but does well in English, and communication was not a problem.

The Story:

You can't rate an experience like I had because it was just too damn good. I booked her because I wanted some A level. I know that some women enjoy it greatly, and I was hoping this lady did. (Which she did) And I think it was a great experience and worth the upcharge. Full throttle A to completion was new for me. So less than 20 minutes into the session, I had cum. Felt good. We talked about 20 minutes then I got aroused again. Will leave out the details of what caused that, because that would make it too easy on the next punter. Hey, I had to be creative! No DFK, and actually not much kissing at all. No bare fingers or tongue inside! Still, she and I both got really horny again, and after a few minutes of mish I had another O, which has not happened in decades. I have never had a disappointing time at Annabella's, and this young lady was friendly, funny, energetic, sexy. If you're a gentleman and treat her right, I am sure you will get rewarded and come to the same conclusion as me. If I see her again, I would get addicted.
