The Premises:

Her house is located close to the city centre and is situated in a pleasant, safe residential area. You do have to walk up several flights of stairs to get to her room, so not ideal for anyone disabled. The room she works from is clean, tidy and makes you feel at ease.

The Lady:

Kitty is around 5ft 3 tall with shoulder length brown hair, a lovely smile and her breasts are firm and of a nice size. She is not too thin and not too fat, but a nice shape in between the two. She also has a nice shaved vagina.

The Story:

Once in bed with Kitty we got down to some sensual kissing and some cuddling and once we were both relaxed she gave what I consider is one of the best OWO I've ever had. While she was doing that I caressed and played with her breasts and nipples, which aroused her a lot. Onto me sucking, licking and caressing her breasts and nipples while she rubbed her vagina against my penis. We had sex starting with her on top and than switching to me on top, and after that we got down to some 69. All round very pleasurable and arousing. Our time ended with some general chat and some more kissing and caressing. I look forward to seeing Kitty sometime soon, she is well worth visiting.
