Place was nice and clean, Modern block of flats with buzzer system for entry so very discreet. Plenty of parking and felt safe.

The Lady:

Tall, lovely figure, very attractive facially and nicely spoken. Very clean and dressed in nice sexy lingerie. Looks about early to mid 30s.

The Story:

Delighted to have stumbled across this lady. Not only good looks and gorgeous body, but excellent skills in the bedroom. Said she hasn't been doing this for long, but she has learned fast. On entry was offered a soft drink and after getting the finances out the way, the kissing began. I'm not one for the full sex thing, so was only wanting owo. She claimed she was very good at it, and she wasn't wrong. Excellent technique, really wet and slow at first, eventually building up speed to a glorious climax. Didn't seem in any rush to show me the door, and we chatted for a while afterwards. Very friendly and I certainly intend to see more of her, and probably be one of the very rare times I actually have sex with an escort instead of just the oral.
