The Premises:

flat was in a very secure multistorey flat, near the train station. Called luxurious I wouldn't agree, but pleasant enough, a little cluttered, with an ensuite. the area is safe and fairly discreet, main door is only opened after you buzz the number, use the lift cus 5 floors i climbed !!

The Lady:

Sumi was described as 21 and size 8, she looked about 30 and a size 12, she did admit to me she was about 30. There may have been more than one girl there and the other might have shut her legs for the day. I wished the lady on the phone had given a true description I had only spoke to her a hour previous. Apparently the girls here change almost weekly. Sumi was attractive so i was happy to continue, she spoke ok a little hard to understand but she could say 'fuck me' without an accent!

The Story:

sumi had nice tits massive nipples which she did not want me to squeeze, obviously someone had been to vigorous previously. she gave me a back massage it was ok, she put a condom on for me and sucked a little, i asked to do oral on her which she agreed and got the baby wipes out to wipe her pussy first a few times, when she decided she had had enough she asked me to fuck her, i wanted her on top so she obliged for a minute or two then asked me to do the work, i felt a little hurried, but 30 mins is 30 mins. i finished and she asked me if i wanted to wash which i did, i still had a hard on so wished she would have hand wanked me in the shower, never mind. all told a good punt but not a great one, maybe i am too fussy, i would go back and try a different girl next time, p.s she not keen on kissing either!
