Details of Service Provider:

Profile Name: Mistress Cindy Ray

The Premises:

If you're staying in London, you need to use the train (30 mins) to reach her town and then a 10 mins walk to her place.

The place is not a dungeon. It's a regular apartment which is safe, neat & clean and equipped with quite a selection of tools and toys.

The Lady:

Cindy is better looking and much sexier than her web photos, HOWEVER, be prepared to meet a BIG lady. I don't mean fat, but quite tall with a big built.

Her feet are sooo gorgeous... were pedicured in black and seasoned with lots of foot jewelry (toe rings, anklets...). Definiely one of the best looking pair of feet that i've ever worshiped.

The Story:

We communicated via email a couple of weeks before my visit and agreed on the session content. For me, she's a smart mistress with great potential and can improve her services a lot. I had two disappointments, and this is why i won't consider visiting her again nor recommend her (however, it's up to you).

1- she forgot our appointment and i had to remind her so we rescheduled.

2- she did not review our agreed session content before i arrived, so she ended up improvising things that weren't within my scope of interest. For me that's unacceptable.
