Clean and modern apartment just off Junction 17 of the M60, visitors parking and lift to all floors.

The Lady:

Website description accurate as are all her reports on punternet and LBB from her time at Sandy's.

The Story:

First time I've been able to get to see Zoe since she went independent.

Place was easy to find once she gave me the postcode. (Just type it into Google map and the arrow points to her flat almost). Didn't use visitors parking, preferring to park down the road as my car is a little conspicuous due to its colour. Rang just before time to say I was just down the road, buzzed the intercom on the apartment block and was let in by Zoe. Up in the lift to the right floor and her flat is one of the first you see. Knock on the door and let in by Zoe who immediately kissed me. Hadn't even got my coat off!

Zoe looked stunning in a black dress with plunging neck line. Round into the lounge where Zoe made me a coffee, before we sat down on the sofa to chat and catch up on small talk. With no rush we eventually moved to the bedroom, which was a little warm so we turned all the heating off. A round of full on snogging started where we eventually removed each other's clothing before crawling onto the bed.

More snogging and cuddling with Zoe draped all over me. And my hand just kept wandering to her perfect arse.

I'd already decided that this was going to be a one hit performance so we just took things very slowly. Eventually I moved down to give Zoe RO. Before Zoe returned the favour. Her oral is fantastic.

More snogging and cuddling before we repeated the same again only this time finishing with Zoe climbing aboard cowgirl. Not of the energetic cowgirl some girls do, but a slow erotic experience.

After climbing off we again kissed and cuddled together before finally separation to get dressed.
Well one of us!

At no time was I rushed, there are no clocks in the room and I had a generous hour

Now Zoe is independent her service which was excellent is now even better due to the no rush "chill out" service.
