The Story:

Don't know where to start with this review as I'm still in shock! Gaby is beautiful, a truly angelic face and gorgeous body. She put me at ease, she's friendly, chatty and very attentive. She greeted me with passionate kisses and a glass of wine and I quickly forgot I was with a girl almost half my age! After a while we moved to the bedroom where I showered and joined Gaby on the bed for what has to be the best sexual experience I've had for a very very long time. lots of kissing, stroking, licking etc. she gives the best oral ever which was without and led to me cumming so hard in her mouth I nearly blew the back of her head off! kissing, cuddling and chatting followed and then I was ready to go again which NEVER normally happens. more owo more RO which she loves and then hard fast sex until I came again in her beautiful pussy. I think I realised then I was with a 20 yr old cos I was and still am absolutely spent. The best time was had and she is an absolute sweetheart. First time I've used an agency and I know IK will have a lot of lovely ladies on their books but I don't need to look anywhere else for that perfect 11/10 gfe and that's based on everything not just the bedroom. Can't fault Gaby in any way she's amazing! Will def be back for more as soon as I can
