The Premises:

Ground floor flat beside the Hardgate (I believe Aberdeen taxi drivers know what you're up to if you give them this address...) Nice enough since the flats can't be much more than 10 years old, and it's a decent area. Clean bathroom and bedroom, although there was a slight smell of smoke coming from the living room (although her breath wasn't smoky).

The Lady:

Not the young, beautiful, busty, white European woman in the photos by any stretch of the imagination - I didn't really expect her to be, but I thought the photos might at least be indicative of how she looks. Dark-skinned Brazilian lady, B-cup breasts, about 5'2 - 5'4, probably in her 30s and with a fairly prominent Caesarian section scar. Not ugly by any means, but if she'd used genuine photos I wouldn't have taken a second look. Perhaps that's why she uses fake ones...

The Story:

Arrived ten minutes early, as I'd asked if it would be okay to have a shower before we started. She said she was just about to get into a taxi and would be there in ten minutes. Very professional. Just as well I drove since it was raining. Ended up having to wait until 8:45pm because she was getting read.

Started off with some FK (bit too much tongue perhaps), then Anita started kissing and licking my shaft and balls. I thought I was in for some OWO, but no, on went the condom. The covered oral was still pretty good, mind, and the ball-licking continued as well. Then I went down on her for a bit, and then onto penetration with me on top. Some nipple-tweaking ensued from both parties, then I came. Anita asked if I was tired, but I knew fine it was nowhere near an hour gone, so I said no. So she started back at the start, this time ending with a bit of cowgirl and finally doggy. Nothing was happening (no surprise considering there was no "half time" chat), but instead of trying something else, Anita indicated that the show was over. Had a shower, then went outside and checked my phone - 9:30pm. Screwed out of 15 minutes. Actually, I'm more annoyed that I didn't just go for half an hour in the first place, or even just get someone else when I saw she looked nothing like her photos.

All in all I've had far worse punts in terms of the actual action, but I hate being deceived. Pleasant

enough lady, pretty good at what she does, but not for me and I feel a bit cheated.
