The Premises:

Pleasant area. On street parking. Very private although close to shops and offices so don't have to be self conscious about approach to house. Clean and tidy inside; a bit chilly but fair enough as it was sub-zero outside.

The Lady:

Mid 40s. Pretty brunette. Medium firm boobs, big nipples. Very average: not thin, not BBW.

Holds a very pleasant informed conversation if you wish to discuss the state of the economy or something more raunchy.

The Story:

I have been seeing Kate for some years. She previously worked with Donna (not working atm) in Mosely. Kate no longer advertises, not even in the paper. She relies on regulars, word of mouth and internet recommendations

She offers an oily massage; her boob and hands sliding everywhere. Covered expertly delivered oral. Great in-and-outs. She takes her work very seriously and delivers an expert professional service.

She is an honest girl providing a needed service to the likes of you and me for a reasonable price. Treat her with respect guys and she will reciprocate.
