The Premises:

Good sized basement flat in the Paddington area. Love's room is spacious and well decorated with several large mirrors dotted about. The bathroom is a bit like a cave on first appearance but clean and acceptable.

The Lady:

Tiny, smiley and pretty Thai lady.

The Story:

Greeted with kisses and hugs, I showered (alone) and returned to Love's room for more DFK before lying down on the bed. Love asked what I wanted but didn't bother to wait for an answer before she started sucking my cock. A prolonged session of superb OWO followed, I especially liked her attention to my balls with lots of licking and sucking there. I moved things on by sitting up and snogging her again before undressing her and asking for a condom. After some enthusiastic sex in cowgirl, mish and doggy I asked for anal, and she was happy to oblige. This was slow and steady rather than a frenetic pounding, she is very tight but took it like a champ for as long as I could hold out. I asked if I could give her a facial and she knelt down by the side of the bed and sucked on my cock and balls until I shot my load all over her face.

A very welcome massage followed, Love is stronger than she looks and this hit all the right spots. Turning over she concentrated on my groin and when I got hard again she gave me more excellent OWO. After an exhausting first round I just lay back and let her work her magic, finishing with a fantastic CIM. Another shower before dressing and more hugs and kisses before heading off.

Love is warm, friendly, enthusiastic and skilled. Highly recommended.
