The Story:

My first visit to Ruth today, and her first visitor of 2011 I believe ? Her house is easy to find from the directions given with parking nearby. The house is immaculate and a credit to Ruth who should also be an interior designer !!!

Ruth is very easy to get on with and sensed my nerves but soon put them at ease with a chat in her lounge leading to some kissing and mutual touching after which Ruth suggested we move upstairs to her bedroom following some more kisses and cuddles it was time to start removing ours clothes. Ruth has a wonderful size 12 figure with small pert breasts which were shown off nicely in her sexy lingerie, Ruth has a wide range of lingerie and likes to wear stockings and suspenders to add to the occasion. Once on her queen size four poster bed things got more passionate with oral both ways and Ruth playing with her clit whilst receiving oral; then on with the condom for Ruth to ride me cowgirl until she brought me to a climax. After which Ruth commented on how quick the 90 minutes had gone, we lay there for another 10 minutes just chatting about life in general. after getting dressed Ruth offered me a drink and gave me a little present. Then all to soon it was time to go and after a kiss good bye I was on my way. I had a wonderful time with Ruth she's a real gem and will be back soon.
