The Premises:

Penthouse flat in a smart block in Central Milton Keynes. Parking outside then lift to penthouse. Clean, spacious flat with stunning views of Natalia and a snowy Milton Keynes.

The Lady:

Daniella is a very busty 36DD, curvy, friendly Czech sex kitten with a lovely smile and a lively personality, excellent English, and a most delightful smile, even when her mouth is full of spunk.

The Story:

Great punt with someone I will want to see again. Just had to suck on those natural 36DD's before venturing downstairs to eat her pussy out, nice and wet. Extended OWO licking the length of my shaft and sucking on my balls, on with the rubber before energetic sex in mish and doggy before whipping off the codom and finishing in Daniella's mouth. Excellent OWO, constant eye contact, lots of FK, and good humour throughout. A delightfull lady.
