### The Premises:

Usual fairly high standard Brooklyn's keep. Easy parking with cashpoint nearby.

### The Lady:

Quite pretty not that young with large breasts.

### The Story:

Liberty was the only girl available at the time and was not very chatty. Poor light massage with no offer of oil or talc. Then off with her clothes for a quick covered blow job with no eye contact, followed by sex in two positions all very mechanical and out within twenty min. I have visited Brooklyns before and always found the girls much better and more friendly than Liberty.
