### The Premises:

See other reports. Safe, clean blah blah

### The Lady:

Petite. Nice pair of tits. Great arse, great legs, pretty face. Looks better in person than in the photos in my opinion.

### The Story:

Says she's from Goa. God, are all girls from Goa like her? Unbelievably good mix of Portuguese and Indian heritage. Shagging this girl was a real Christmas treat. She's fucking hot, with a pretty face, lovely smile, lovely glutes. Can't think of any negatives really... Nice girl too, as much as you can tell from a twenty-minute quickie. Spent most of the time doing her from behind. Fantastic.

I hope she stays at Indian Palace awhile so I can see her a good number of times. Don't let the 'bit of curve' description put you off, she hasn't got a speck of cellulite on her, she's 100% fuckable. So yeah, I liked fucking her, can you tell?
