The Premises:

Her apartment is centrally located in Feltham. Just down the road from the railway station. Nearby to Nandos. It is a modern apartment development so very discreet. She met me downstairs at the door and took me up in the elevator where there was a modern and clean apartment.

The Lady:

Katy is 5'5 with dark hair and piercing blue eyes and a beautiful face. Her skin is tanned and she told me she has just come back from Spain. She has large round perfect brown tits. Her legs are skinny and her skin is immaculate. You can tell that she takes care of herself with a manicure and pedicure. Her smell was also divine.

The Story:

When I entered the building, she was wearing sheer black leggings, which took the silhouette of her perfect shape which I could see as she led me up the stairs. This turned me on immediately. Once we stepped into the apartment, we jumped into the shower and as we agreed over the phone she gave me watersports. At the same time I was giving her oral and fingering her bum, which she really enjoyed. I then enjoyed A levels and CIM for no extra charge. I would def visit this hot babe again! (Treat her good guys)
