The Premises:

It was clean enough - one of the many services apartments used all around Aberdeen. Poor Stephanie was embarrassed that we had to use the pull-down bed because the main double bed was loose and very squeaky - so much so, that the people downstairs had complained apparently. We made a joke out of it, and made the best of it! I would have preferred a bed, but she soon distracted me so well, I sort of forgot about it!

The Lady:

About 5'3" or so, shapely, medium build with a pleasingly ample bust. Late 30's to 40 years old, but in pretty good shape indeed! Stephanie was tanned, fit and good-looking, with shoulder-length blonde hair. Wearing some nice lingerie from the outset.

The Story:

Stephanie is a clean and well-presented, and asked me to use sterilizing hand gel, which I did not mind. She is a nice kisser, and has lovely smooth skin. Her pussy was lovely, tight and fresh, and she seemed to get a lot out of the RO. On to good OWO, sex in several positions over the next half hour or so, then went back to OWO for a gorgeous finish. We chatted and fooled around some more, but round two did not happen.

She is a nice lady, and a stickler for hygiene, which I am definitely OK about. She is very experienced, and good company. Her good feedback is well-deserved, she seems entirely honest, and she will look after you well if you treat her right.
