The Premises:

Tidy looking apartment short walk from West Kensington tube. Don't know about parking, but felt safe walking from the tube.

The Lady:

Oh my god! This girl is amazing. The site states Tamsin is 36 but she could easily pass for 10 years younger. A fantastic looking english MILF, petite body with big round (enhanced) boobs, silky smooth skin, and long dark brown hair. She says she looks like Liz Hurley and I won't disagree.

The Story:

Oh yeah! She knows how to please. Don't want to give too much away, but she is very good at her job. Very good oral with eye contact (always a good thing), followed by several positions before finishing hard with her on top. Watching her amazing boobs swing around is enough to make any man cum. She really makes you feel good and knows how to please. A proper GFE with a bit of PSE if you want it. Didn't feel rushed and left with a big grin on my face.
