The Premises:

The same serviced flat where I saw Ivana off of Esslemont Avenue. Clean, tidy, but still too hot. The door buzzer still did not work, so you had to stand outside when you got to the door, call again and stand there feeling like an ass saying 'I'm here now' several times because the girl does not habla Ingles too well!

The Lady:

Ivonne is a Columbian lady of around 28 to 30, very curvy and shoulder-length black hair. She is pretty, tanned, has a lovely smile and big dark eyes, but seems a little self-conscious about a scar on the side of her face. She has a nice round bottom, nice long legs, a small waist and a really fantastic bosom. She speaks almost no English, and I do not really habla Espanol very well either, so chit-chat was minimal.

The Story:

Because of the unfortunate language barrier, it was a very physical encounter instead, with two gorgeous rounds of vigorous sex, OWO, RO, and ten minutes of fairly basic massage. The thing to note about Ivonne was the way she moved against your body: a slow, sensuous grinding and constant caressing, whilst always maintaining eye contact. Gorgeous in cowgirl - with both hands free, I could enjoy her boobs as she ground her pussy against the base of my cock. In mish, she was equally lovely and showed lots of skill in making me feel very good indeed. Game over in doggy with my hands around her small waist, admiring her very South American rear as she tickled my balls. These girls are well-trained, and no mistake!

Ivonne seems to tour around like the others, and did not seem to know if she would return to Aberdeen. If you go see her, you'll be made to feel good, but if you speak any Spanish, so much the better!
