The Premises:

Again, the same clean serviced flat used previously by Ivonne and Ivana of Esslemont Avenue. Door buzzer still not working. Offered a shower but declined as I had just had one.

The Lady:

A small-boned slender girl about a size 6, 5'2" or so without heels. Very good body, with a pretty face and a mischievous smile. Shoulder-length dark hair, slim legs, wee arse, tiny pussy and fabulous big natural boobs. Yum yum.

The Story:

When Nicole answered the door, she was clutching a textbook and wearing flannelette PJs and no makeup. Not a good start, as it made her look about twelve. She gave me a kiss and told me to make myself comfortable while she went and got ready. I immediately had a wave of guilt, as I thought that I probably had shoes and neckties at home that were older than her. Two minutes later, she returns in a peignoir, high heels and wearing the sort of smile that must have got Adam in trouble with God. All of a sudden she looked entirely fuckable, and not like she was at one of my daughter's sleepover parties, which was easier to deal with.

Nicole is very skilled, but unlike the passion in my encounters with Ivonne and Ivana, Nicole was fairly detached and business-like. I very rarely go for a 30 minute meeting, and maybe that was why this felt more mechanical. Cowgirl was interesting, as she had the knack of lying across my front whilst she ground her pussy on my cock, and at the same licked one nipple and tweaked the other whilst still looking up at me! No mean feat! I think these girls are all trained by the same person, as I was given the same onslaught of stimulation in mish to finish as I got with Ivana.

Nicole says she is Spanish, and is over here as a student of business administration and part-time escort. Her English is quite good too, so she may well be. You can see her piccies on AW and VS, and they are genuine.

Nicole was nice enough, but I think the age difference and the shortness of the meeting made is a bit too detached to be a GFE instead of a quick shag. Oral was covered too, which I don't really care for. But it was a very pleasant quick shag, and for sixty quid, one cannot complain.
