The Premises:

A ground floor tenement flat in Rosemount. Clean, tidy and warm, since it was absolutely brass monkeys outside. Offered a shower and a drink.

The Lady:

A small Thai lady about 5'0", mid-to-late 20s, cute with a good body of the type you tend to find on short Thai ladies. Medium sized boobs, small butt, short legs, not a pinched waist etc. Long black hair and a pretty face, if you like Thai ladies, which I often do!

The Story:

I saw Lusie's advert on a well-known listing site, and decided to cheer myself up with a punt on a horrid day. It was not a passionate GFE sort of encounter, but a very pleasant one with a horny Thai woman who clearly likes to be fucked, and likes to please her man. Both sides know where they stand, and the transaction is more physical gratification than anything else. Sex and OWO were good, Lusie's pussy was tight, responsive and clean. Her massage was competent, and her English was more than good enough to have a conversation. She was very nice and pleasant, though clearly has a kooky sense of humour and made me feel relaxed. All good stuff - nothing too worthy of note, but it felt like VFM nonetheless! I doubt I'd return though, since there are several ladies out there who I prefer for such an outing.
