The Premises:

A clean and tidy flat in a quiet area of MK. The receptionist was helpful in arranging car parking.

The Lady:

I was initially taken aback when I met Helen, she was dressed stylishly, not in the usual semi naked/underwear way and also she is much better looking than her photographs suggest. I was intrigued from the very start of our meeting.

The Story:

It did not take me long to realise that I had picked the right lady to see for my year end liaison. Passionate kissing and then off with our clothes and I was delighted to find a most beautiful body revealed (Not me - her !!) The sex was superb, Helen showing total commitment to giving me the utmost pleasure. She gave every indication that she was enjoying herself too, something which I find exciting and inspiring.

I had a huge climax and then we chatted in a most enjoyable fashion and all through the talk we stroked, squeezed and caressed each other until before long we were "at it" again. A very pleasurable 1.5 hours in the company of a sexy, attractive and intelligent woman. It is hard to think it can be any better than this.
