The Premises:

Nice clean apartment near to Milton Keynes Central with plenty of free parking bays available.

The Lady:

Attractive, toned, tanned blonde (looked even better in the flesh than in photos imo) with nicely enhanced breasts and wonderfully soft skin. Speaks fluent English with a sweet Czech accent.

The Story:

Suzi welcomed me with a hug and some French kissing before we undressed and she lead me to the bed where she offered me the choice of OW or OWO. I went for the latter and skilfully using her tongue, breasts and hands she soon had me cumming on her lovely boobs.

After cleaning up we then lay entwined on the bed and had a lovely chat whilst I recovered. Suzi gladly accepted my offer of RO and she was soon moist and writhing in, what I hope was, ecstasy as she joined in by fingering herself whilst I licked her pussy.

After wiping her juices from my face, Suzi slipped a condom on me for some energetic sex in positions which demonstrated her supple dancer? physique.

Suzi then said that I could try out her A-Level service as long as I was gentle which I assured her I would be. We started off with a few minutes of anal play before I slowly entered her, I?m not sure how often she does A-Levels as she was such a superbly tight fit! Once I was fully in she was soon thrusting her hips as before for one of the most memorable A-Level services I?ve every experienced.

As the time was running short Suzi once again treated me to some OWO and brought me to climax for a 2nd time in 45mins (normally I need at least an hour to cum twice!) with some very superb HR. Suzi tidied up the room as I got dressed and we chatted about our plans for NYE as she led me out of the flat, sending me on my way with a kiss.

A lovely punt with a gorgeous, well spoken lady who I hope to see again next time she?s in the

country.
