The Story:

I came back the following day to see Cindy for second helpings. I was not going to be disappointed...

Cindy received me at the door in a tight short black dress showing off her beautiful cleavage and gorgeous legs. She said that she had lunch in that outfit earlier. Imaging her in public place showing off her sexy body immediately got me horny.

I served champagne and she sat down on the couch. She slid her dress up over her stocking clad legs and revealed that she wore no panties. Wow! We were kissing and I put my head between her hooters. It was heaven and more to come...

We moved to the mirror. My cock was fully erect sticking out of the morning gown and touching her tasty ass. I was grinding it as we slowly get rid of her dress. She had mentioned yesterday that she would wear a special bra. I hadn't realised that it was a bra, just underwired but without a cup. Sexy! Her nipples are especially pointy and a delight whether or not covered by fabric.

Cindy told me that her American clients want a more slutty look than her European which prefers a more classy appearance. She has an incredible ability to move quickly between the two extremes. She told me about her tight small tank tops and micro skirts. However, today she was more classy than slutty with a white corset around her 22 inch waste with the garters straps hanging loose as she wore black stay-ups. She purposefully drooled so that the champagne was

dripping between her tits. Cindy alternated to put my cock in between them and in her mouth.

I started fucking Cindy on the sofa. We changed positions and she was facing me in my lap both of us thrusting. I had her huge tits in my face. She kept talking dirty about my big cock, which is not that big anyway, but I enjoyed it. With this treatment, I didn't last that long until my spunk wanted out.

After more champagne we moved to the bed. I had brought baby oil. She oiled up her big boobs and tit fucked her again. I was immediately ready for the next round and asked to fuck her ass. She asked me to start doggy in the pussy and then move on to her other tight hole. It was unbelievable! She then suggested that she would turn around so I could better see my dick pounding her cute ass hole. Needless to say, I happily came again.

She can be incredibly classy and a little slut behind a closed door; lovely girl!
