Central hotel in Stevenage. No problems at Reception.

The Lady:

Very fit brunette with nice figure and good proportioned natural breasts. Pretty face and very friendly.

The Story:

Broke the ice with some very passionate French kissing and mutual groping. Rachael knows how to get a guy going.

Fantastic oral. Very responsive to cunnilingus - she's very sensual and came quite quickly - lots of juices as a result. Lots of rubbing of the bell end against her by this time well-lubricated clitoris before covering up. Great missionary sex then doggy. Finally, off with the condom and we finished with a spectacular facial.

A very experienced girl who offers great value for money and clearly enjoys her work.

Does duos with Jesse, who I met briefly before she went to the bar - she's also gorgeous.

Will definitely try the duo next time, but they travel about and won't be in Stevenage again till May.
