### The Premises:

One2One escorts have six locations, so although I have put High Wycombe as her "home city", Maggie actually works equally from several locations, in accordance with a rota (see website).

The Gerrards Cross flat is over some shops. It had just been refurbished internally, so was immaculately presented with all new furniture etc. It is a good area. It's on a main road, but felt acceptably safe.

### The Lady:

Maggie says she is 42 (although I refuse to believe that she is a day older than 35!). She has a gorgeous body (size 10?) with a lovely petite bum, great boobs (34DD), and silky smooth tanned skin. Her hair is black, and she has dark sultry eyes. She is 5'6" tall. She's also a great kisser!

### The Story:

I had previously met Maggie at their Beaconsfield flat, so I knew I was in for a good time. Maggie is friendly, responsive and great company. Brilliant sex (and she has a clever way of putting on a condom using only her mouth. When I first met her, I didn't even realise she had put one on!!) Maggie doesn't work every day, so you have to check the rota on the website.

The way One2One works means there is only the girl in the flat when you visit, so it is indential to visiting an independent, which is always my preference. Telephone contact is with a very helpful receptionist, who takes bookings, gives directions, and phones you when the girl is ready. It all works very well.

So.... I can definitely recommend Maggie.
