### The Premises:

Lovely room in a nice ground floor flat; on a busy street in South Kensington about 5 or 6 minutes walk from either Gloucester Road tube station or South Kensington tube station.

### The Lady:

Lovely lady with gorgeous dark hair coming down her back. Nice eyes with a great smile. Latin (Brazilian), looked tan all over, and fully shaved.

### The Story:

She made me feel very comfortable and easy from the start. I've been to House of Divine before and wanted to see another lady that day, but she was fully booked (my fault -- I only called that morning). Quickly checked up Kiera's details on the website and decided from the reports that maybe it was good for me that I had to take Kiera instead. I wasn't disappointed, and have only had one disappointing session there (see my earlier report from a few months back).

I told her I wanted a no rush half hour and asked for a back massage first to relax me and also because I had just gotten off an airplane that morning. With a smile, she said that massages weren't her speciality and didn't I really want more. I said to just give me a quick back massage anyway because that's what I needed. After about two minutes of back massage, she reached underneath me from behind and started the real massage that she wanted to do. Clearly this lady enjoys what she does! So I couldn't help but turn over; she stopped the massage and took me in her mouth (OWO), asking first if that was what I wanted (and how could I say 'no'?). At my request she switched to 69 with her on top (she seemed very excited when I asked if I could do this), and responded well to my tongue. It was great to look at her fully shaven pussy and ass whilst tasting her. After about 5 -10 minutes of wonderful BJ and reverse BJ, I told her I wanted to take her first from behind, which I did.

Probably because of my jet lag, I didn't last as long as I wanted, and warned her as I realised this. She really made me come then, helping me to make it truly a memorable experience.

The half hour was only about 20 minutes over by this point, and I said I just wanted to lie down with her whilst I got soft and that she should just let me explore her with my hands and eyes. She kept a nice conversation with me during this, and we ended a couple minutes early (my choice) as I really

did need to get elsewhere.  
A wonderful time. Thanks!
