The Premises:

3rd floor flat but the place has a lift. Clean and tidy inside with ensuite facilities for a shower. Dimly lit room, nice music and a good double bed with a large mirror to one side. I felt safe and at ease whilst here.

The Lady:

Good looking Thai girl (about 5'7) with nice slim body. Soon as I clocked her my cock twitched in approval.

The Story:

Lavinia is a nice girl who provided an excellent service and I felt this was a good vfm punt. 3 rounds took place in the hour.

Round 1: She oiled up my cock and got it nice and hard. Excellent OWO and ball sucking. Good 69 which made me shoot my load a lot sooner than I expected.

Round 2: More excellent OWO, some FK though not heavy. Finished in missionary.

Nice massage after Round 2. All over massage which was firm but pleasant. Note: she likes to use oil in the massage so if you're worried about the missus noticing that then have a shower before you leave. Her english isn't great and she can be difficult to understand but she's a really nice girl and I liked her.

Round 3: More excellent OWO. I then straddled her and shot what I had left over her face which she was fine with. What a great girl.

Next time I see her I'll fuck her in more positions but she did an excellent job of leaving me fully drained.

POSITIVES: OWO and lots of cock attention. CIF also.

NEGATIVES: English not great so little difficult to understand

SUMMARY: Good vfm punt from a good looking Thai girl. If that girls are your thing, you won't be disappointed.

RECOMMENDED AND I WOULD REPEAT.
