The Lady:

Without the high-heels Zoe is 5'7" and, as far as I'm concerned, has a shape and figure that most women envy. She prides herself on the fact that she has earned a reputation of having one of the most shapely bums in Manchester. It's certainly lovely and soft to the touch. Her website is self explanatory and well worth a visit.

The Story:

This was a result of my "keeping an eye" on Zoe's movements since she left Sandys but I only stumbled on her website through Google.com. I phoned just on the off-chance that she was free in the afternoon. She was dressed, as requested, in black underwear under a brown silk dressing-gown. No lipstick or stockings for me thanks. She offered and made me a cup of tea which, because of what followed us sitting on the edge of the large double bed, never got consumed. GFE is the top of her list of services and, with the very responsive DFK, it made for a super start to our meeting. Her website states that the latter is at her discretion. Providing you take the trouble to have a good-tasting mouth, then she makes you feel wanted in a big way. Her body writhes and hugs to be as close as possible. The OWO was top-shop and when she put on the cover and straddled my little fellar, the ride was a great incentive to want to soon go into the missionary position. The feeling of her "grabbing" your weapon with her very flexible internal muscle control is something else. I surprised myself that my extra efforts to bring her to orgasm did actually have the desired result. In spite of every effort to maintain something worthwhile my little fellar couldn't complete the course. With Zoe's help we managed to make him give forth in the end. My days of managing such erotic experiences are coming to an end but Zoe, with her broad Lancashire accent, and "fun to be with" humour, made for a memorable hour spent with a lovely lady.
