The Lady:

So many nice things to say about Maxine. Gorgeous. Tall, great legs, super lips and smile, lovely tan, awesome bum, sexy eyes and sultry accent. Only weakness for me was she has smallish boobs for her frame and height.

The Story:

Maxine does kiss and has lovely soft full lips which make this a highlight of a visit with her. She gives a nice OWO and I enjoyed her in cowgirl, doggy and standing (which not many girls can't do). The standing was so good with her left foot up on the bed and her right hand also on the bed, she then leant back into me so i could play with her boobs at the same time as being deep inside her. I liked this so much and also because I could see everything in the full length mirror that I came inside her. 95% of the time I normally finish with OWO or HJ but she was good enough to get me off during sex. Definately a recommmend from me and if she ever had a boob job I think she could easily bankrupt me!
