Doryna is friendly and nice mature Lady in her late thirties or early forties

The Story:

Doryna is friendly and nice lady but there is no English, so communication was difficult but I managed it well. We had some French Kissing (but not full DFK) and close hugs and cuddles and OWO, Reverse Oral,69, massage, reverse massage, foot/body worship etc.

You can find her on the web site site and the photos in the web site are of hers and if you want more details, then email me.

As you know that the adverts are put by the management who manage the girls so what you see in the advert is not completely true. Most of the time the management keep same advert and change the girls photo and all become misleading and confusing. If you look at the Doryna's advert. Confusion in age and what she offer etc. The girls have no clue about what said about them in the web and they have no control of it.

If you like mature ladies then what you get for sixty pounds per hour is good value for money, so, I recommend Doryna
