We met at my home as it was an outcall

The Lady:

Blonde fairly long hair, D cup, and absolutely gorgeous

The Story:

It was my first time for bondage and anal.

After the preliminaries were sorted, Katrina went upstairs to change in my bathroom. When she was ready, she called me up and as I climbed the stairs my jaw dropped! wow, wow and thrice Wow!

She was dressed in a short black PVC dress with long boots and had a lovely body shape and smile. I couldn't wait to mount the last of the stairs and sample the pleasures to come.

Entering the bedroom I saw that she had placed items on the bed ready for play. 3 strap-ons of different dimensions, spreader, ball gag, rope, prostate massager, bondage tape paddle and whip.

Well, to cut a long story short, she used them all on me including the largest strap on she had brought which really stretched me to my limits.

We also had breaks where we had sex both cowgirl and doggy and where we gave each other oral.

This is one hell of a woman who knows what she's doing and I enjoyed the session so much she has been re-booked by me and she will get many more bookings.

Kat, you are fantastic. Thank you and I look forward to our next meeting with great pleasure.
