The Premises:

Betka works from what looks like a shared flat. There is parking to be had outside and a big car park nearby. There is direct entry to the flat from the ground floor, so no shared corridors to worry about. The room itself was clean and fit for purpose.

The Lady:

Betka is a 26 year old Czech brunette, very slim with small boobs. She's so slim it kind of makes her look taller than she is.

The Story:

This was a bit of a lunchtime quickie. Started with covered oral and then Betka invited me to play with her tight pussy. I managed two positions before finishing on top.

I think she could be quite open to most things physically, but she seems a bit reserved with the more intimate side of things. There was no kissing on offer at all, which is fair enough as it is not on her 'likes' list. If she starts to offer kissing and more of a GFE, I would return.
