The Premises:

Stella has the ideal location for people that like to be discrete. The apartment is a stones throw away from Barbican tube, after being buzzed in you take the lift up to her floor. Her place seems to be the only one on this floor, so no nosey neighbours to worry about here. Inside it was modern and clean, so a very good location overall.

The Lady:

Stella is a 23 year old blond Polish girl. She's a size 8 with pert boobs and lightly tanned skin. Although she's size 8, she's not skinny but has a perfect bikini fit body.

I was very impressed when Stella answered the door in her bikini. She's not overly glammed up like some girls, she had a more natural sexy look about her.

The Story:

I was running very late and the next punter was running early, so she could only give me a 20 min quickie. She had a couple of phone interruptions, but I didn't care I was just glad to get my hands on this girl for as long as I could that day.

The session was a bit rushed, but in that time I got a very good covered bj, followed by sex in cowgirl and then missionary position.

Stella said she didn't kiss so this wasn't a real GFE by any means. French kissing is on her likes list, so hopefully it should be on offer if I book a longer session.
