The Premises:

First time to this place located in Green Street Green near Orpington. Flat located behind a parade of shops in a safe residential area. Inside ok but alot of smoking so I came out stinking of it, very difficult to explain in the office.

The Lady:

The web site is a mixture of accurate photo's and some a little over done, however Sabrina's photos give you a good idea of what she looks like. A stunning sexy spanish lady, approx 5'5", slim, busty 34DD, long highlighted hair.

The Story:

This was an excellent punt. Stripped off and Sabrina gave me the sexiest massage I have had for months, touching all the right bits, leaving me with the hardest cock I have had for months! Eventually turned over for some oral (with) then cowgirl and doggy to finish. Sabrina is a very sexy and willing lady and I will be back for a longer appointment next time. Highly recommended.
