The Story:

Saw Candy June 2010 at my house. Hot day and she arrived wearing shorts. Looked great then and no change! Very sweet and friendly. Gave 20 minutes back massage which was good as my back had been playing up a bit lately. Then my turn. I kissed and licked various bits before going down on her. She has one of the loveliest pussies I have had the pleasure of licking. She seemed to enjoy my efforts. Then she lay face down and sucked me whilst I stood at the foot of the bed. The sight of her incredibly taut, firm cheeks was something to behold! Then on with a condom and into mish. I have to say that lately I have not really been turned on enough to pop in mish but not today. Great stuff! She is SO cute and sweet and reminded me - as if I needed it - why I adore Chinese girls so much.
