The Premises:

Was safe, clean and very presentable. Felt safe.

The Lady:

Very curvy, petite, very pretty and welcoming. She was immaculately presented like her flat.

The Story:

Horny was warm and welcoming and dressed in hold-ups to my request. A beer was offered and warmly accepted.

Had an assisted bath to begin. Her bath is quite big which made the bath all the more enjoyable. Horny's English is passable so it is easy to be understood. She helped me dry down then onto the bed where she proceeded to perform great oral, I swung her round for 69 and she was very responsive! Then on to sex from behind and various other positions. Finished in her mouth {no swallow}

Overall very good and I will return.
