The Premises:

Nice, modern flat located about 4-5 mins walk from Earls Court tube. Bedroom is equipped with full length mirrors for your viewing pleasure.

The Lady:

An attractive and intelligent Italian girl. The photos on her website are accurate. She has a great figure with nice shapely, and very squeezable, breasts.

The Story:

Visited Serena about a month ago, which owing to the December snow was a bit of an Arctic expedition. Hence I was grateful for her warm welcome.

She's very friendly and easy to talk to. Does escorting to fund her postgrad studies. After chatting for a while and getting the money out of the way, I had a quick shower and then into the bedroom.

Started out with some sensual kissing and caressing, followed by an excellent BBBJ. Then I went down on her. She has a very tasty and sensitive pussy.

Finally onto the main event. Fucked her in various positions. She's very flexible and her snatch is so tight I was happy to pound away at it for ages.

All in all a first rate pre-Xmas punt. Finances allowing I'll certainly consider visiting her again in the new year.
