The Story:

I had read so many reviews about scarlet, that I decided to go and see her. made an apt for 11am. Called just before 11, and she said she was busy with family stuff; which I understand, so she asked me to wait till 11:30.

I rang at 11:30, and she asked to delay to noon. OK, I thought.

I rang at noon and said for def 1pm. I decided to wait and did some shopping instead.

Come 1pm, she's free. So finally.

She said she was a bit ried after xmas and had just come of her period...have read that since then on other reviews!!

Anyway, she turned the TV and said she had to have background noise.

Very good kisser, real deep. I had to suggest she suck me, which was nice...not as deep as I would like.

I gave her some oral and we started mish. She asked me to be gentle as she was still sore from her period. Also didn't help her glancing now and then at the tv.

Moved onto doggy..and then she asked me to finish as she was hurting, I still had about 15 mins left.

So overall an OK punt, she is a lovely girl but disappointed by the quality of the whole thing...not the

service I had expected. I was looking forward to an hour of sweaty fucking.

Anyway...I will def like to see her again and guess I caught her on an off day
