The Premises:

A clean modern apartment 2 minutes walk from Temple Meads Station. Visitors parking available. It felt very safe and discreet. There?s a shower if you need it.

The Lady:

Annie is a beautiful curvaceous girl in her thirties. She?s about average height and has lovely large breasts, she says they are 38DD and I won?t argue with that. If you like curvy women you will love Annie?s sexy body.

The Story:

From the moment I walked through the door Annie gave me her full attention. Any nerves were soon dispelled by her friendly nature. She really does give a genuine girlfriend experience... lots of deep French kissing which she seemed to enjoy as much as I did. Of course it?s not all about kissing and soon she was oiling up my cock and massaging me between her lovely tits. Then it was on with the condom and she was on top riding me like there?s no tomorrow. Annie certainly enjoys a good shag!

Afterwards we cuddled up close, Annie is easy to talk to and can be quite amusing, chatting with her it really felt like I was with a real girlfriend. There was no rush, but sadly all things come to an end and it was time to go. However I left with a spring in my step and a smile on my face. I?ll be back!
